Nº 417/SJI/OI  
Pº FEANI

Reference – Application of Higher Education First Cycle Programmes for inclusion in the FEANI INDEX

Dear Chairman,

I am writing to you on behalf of the Portuguese National Committee (NC) for FEANI, to submit a proposal of inclusion of the enclosed programmes (Table I – following template proposed in Appendix 4 of NMC Handbook) in the FEANI INDEX.

A short explanation is required for this letter not being sent by the National Monitoring Committee (NMC).

Portugal is represented in FEANI through a National Committee constituted by representatives of the two associations for the engineering profession – OE- Ordem dos Engenheiros, representing professionals holding a second cycle degree in engineering, and ANET – Associação Nacional dos Engenheiros Técnicos, representing the professionals holding a first cycle.

We are in a transient state where no members have yet been appointed to replace the previous members of the NMC that finished their mandates. As such the NC decided to take the required action for submission of applications.

We trust that the EMC finds this acceptable.

The NC met on the 24<sup>th</sup> of September to analyze a proposal by ANET for application of inclusion in the FEANI INDEX of the programmes of enclosed Table I.

The NC approved to submit such proposal to the EMC.

Concerning the application, the following additional information should be stated:

- The NC received and have in our dossiers a letter from ANET, stating that the diploma and related qualifications granted by all the mentioned programmes satisfy the academic conditions for admission of their holders in ANET.

## COMITÉ NACIONAL DA FEANI

Comité National Portugais de la FEANI  
Portuguese National Committee for FEANI

- The NC has in its dossiers letters from all Directors of Study of the mentioned programmes, stating their willingness in applying for the INDEX.
- We have not in our dossiers the Tables corresponding to the NMC Evaluation Sheets (curricula - subjects and ECTS). Schools have however agreed to submit such Tables upon request.

We look forward to hearing from you on this matter,

Yours sincerely
