Reference: Proposal of National Committee FEANI for new EUR-ING Titles

Dear Mr. President,

The Portuguese National Committee FEANI met on the 17th February and approved unanimously the enclosed proposal for changes in the EUR ING concept and titles.

This, we believe, is in line with views already expressed by other members and as such we would like the issue to be raised in the short term in a Board Meeting with the aim of having it further discussed in the next General Assembly.

Yours sincerely
