DECLARATION FORM

For due purposes, it is hereby declared that

NOME DO MEMBRO

mechanical technical engineer, is registered at OET – Ordem dos Engenheiros Técnicos, under the number **NUMERO**, with effective rights.

OET is a public association that in Portugal grants the professional title of technical engineer and regulates this professional activity within the terms of the statutes approved by Law nr. 152/2015 of September 17th. OET is recognized as the competent authority through Ordinance nr.325/2000, with the Ordinance. nr. 41/2008, of January 11, which approves the list of regulated professions and competent authorities in accordance with Dec.-Law no. 289/91, of 10 August, with the amendments by Dec.-Law no. 396/99, of October 13, that transposes Dec.-Law nr. 89/48/CEE, of 21 December 1988, to the internal Portuguese legal system, covering the general system for recognizing higher education diplomas for professional degrees with a minimum duration of three years, together with the Law nr. 9/2009, of March 4, that transposes Dec.-Law 2005/36/CE, of September 7, to the internal Portuguese legal system, on the recognition of professional qualifications.

In Portugal, the permanent members of OET which integrate the College of Specialty in Mechanical Engineering are authorised to use the professional title of technical engineer and are qualified to practice the respective engineering acts.

This declaration form is issued to be used only outside Portugal and it is not valid in Portuguese territory.
